

**Annex 51****Registration****Scope of the review on
“Sichuan Tongjiang Gaokeng Hydropower Station Project” (2147)**

1. The Board agreed to undertake a review of the project activity “Sichuan Tongjiang Gaokeng Hydropower Station Project” (2147).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the additionality of the project activity through an assessment of the assumed power exported to the grid in the investment analysis, as it has not been demonstrated that the effective power generation is an accurate assumption in the context of this project activity or that the DOE has validated the calculation of this value.
