

**Annex 40****Registration****Scope of the review on
“Chongqing Zhongliang Hydroelectric Project” (2852)**

1. The Board agreed to undertake a review of a project activity “Yunnan Saizhu Hydropower Project” (2852).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine additionality of the project activity through an assessment of the common practice analysis, as it has not been explained why the project activity has higher investment costs and lower operating hours than the similar non-CDM projects in the province as required by VVM, version 1, paragraph 118(c).
