

**Annex 23****Registration****Scope of the review on
“Yunnan Diqing Jisha Hydropower Project” (2869)**

1. The Board agreed to undertake a review of a project activity “Yunnan Diqing Jisha Hydropower Project” (2869).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the proposed project activity through an assessment of the:
 - (a) The continuing and real actions taken to secure the CDM status in line with VVM, v1, paragraphs 100a, 101 as there is a gap of nearly three years between the project activity start date and the CDM consultancy contract; and
 - (b) The suitability of the investment costs and O&M costs considered in the investment analysis as it is not clear why the values are in the higher range compared to other projects in the same region and the increase on investment costs observed from the GSC PDD and final PDD, according to the VVM, v1, paragraphs 109 and 111.
