

**GUIDANCE ON TRANSFER OF KNOW-HOW AND TRAINING AS CDM PROJECT
ACTIVITIES**

(Extract of the report of the twenty-third meeting of the Executive Board, paragraph 80)

The Board agreed that transfer of know-how and training, as such, cannot be considered as CDM project activities. The eligibility of project activities that are a result of the transfer of know-how and training shall be based only on measurable emission reductions which are directly attributable to these project activities.
