

**CLARIFICATION RELATED TO FUEL SWITCH PROJECT ACTIVITIES IN
TRANSPORT SECTOR**

(Extract of the report of the EB 36 meeting of the Executive Board, paragraph 47)

In noting the definition of renewable energy and the reference to the indicative list of small-scale project activities, as contained in decision Annex II in decision 4/CMP.I, the Board agreed to clarify that fuel switch project activities in the transport sector, which include the switch to biofuels, belong to Type III project activities.
