Yes, is attached.

Date and signature for the DOE:

Submitted request for revisions

Please use the space below to substantiate the reason for the request for revisions of the approval methodology. If the request for revision is related to a project activity under development or implementation, please describe the context in which they arose. If you are proposing amendments to existing methodologies, please specify the text you want to change or introduce. If necessary, attach files or refer to sources of relevant information.

If you propose an amendment to the approved methodologies, please provide justification.

>>

If you have a request for revision, please specify and provide reference to the exact section of A/R methodologies to which it applies.

>>

In case you propose an amendment to the approved A/R methodologies, please provide your draft below, if not included in an annex.

>>
