Date and signature for the DOE:	

SECTION 2: DESCRIPTION OF THE REQUEST FOR DEVIATION

Please use the space below to describe the deviation and substantiate the reason for requesting a deviation from approved methodologies (validation/registration stage).

>>

[replace this bracket with text, the field will expand automatically with size of text]

Please use the space below to describe and substantiate the assessment of the DOE that the deviation does not require an amendment to the approved methodology used by the proposed project activity or PoA.

>>

[replace this bracket with text, the field will expand automatically with size of text]

Please use the space below to describe the impact of the deviation on the estimates of the emissions reductions for the proposed project activity or PoA with the use of approved methodology as existing and with the deviation. Please substantiate the estimations with relevant and verifiable data.
