Accessing Climate financing
From the
Green Climate Fund
Outline

II. Readiness Support

III. accreditation
READINESS SUPPORT
Readiness Resources

• US$ 15 million of $30 million presently available for immediate programming

• Cap of US$ 1 million per calendar year/country

• Direct support to NDAs or focal points available

• The Fund will aim for a floor of 50% of the readiness support allocation to SIDS, LDCs, African States
Accreditation Framework
Who can apply for accreditation?

• **All entities**, including international, regional, national and subnational and public and private entities, can apply for accreditation through one of two modes of access:

  • **Direct access track**: for regional, national and sub-national entities.
  
  • **International access track**: for international entities, including United Nations agencies, multilateral development banks, international financial institutions and regional institutions.
