Re: Question about project process

Dear Mr. Jaeseung,

I would like to thank you for your communication of 28 September 2018, with regard to question about project process. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders.¹

The term cancellation of contract including the CDM project is not clear from your submission. If you are alluding to de-registration of CDM project (PCP-PA, paragraph 289), then we would like to inform that a CDM project activity that has been deregistered may not be reregistered as a CDM project activity or included as a component project activity in a registered CDM programme of activities. (PCP-PA, paragraph 299).

Registration of a new project activity in the same physical or geographical location at which a project activity whose crediting period has or has not expired may be possible and you may refer to the CDM project standard for project activities (version 01.0),² paragraphs 41 to 45.

Thank you once again for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
