ARTICLE 12 KYOTO PROTOCOL TO THE UNITED NATIONS FRAMEWORK
CONVENTION ON CLIMATE CHANGE
WRITTEN APPROVAL OF VOLUNTARY PARTICIPATION FROM UK DNA

CFP Energy Limited has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) project entitled “6 MW Renewable energy generation project” at Srikakulam, Andhra Pradesh, India by M/s Varam Power Projects Private Limited (VPPPL) and has requested written approval of the UK’s voluntary participation in the CDM from the UK’s Designated National Authority.

CFP Energy Limited has provided us with the attached record of the host Party’s confirmation that the project activity assists it in achieving sustainable development. “6 MW Renewable energy generation project” at Srikakulam, Andhra Pradesh, India by M/s Varam Power Projects Private Limited (VPPPL) was registered by the CDM Executive Board on 21st March 2007.

The Environment Agency acting as the UK’s DNA confirms that:

1. the United Kingdom ratified the Kyoto Protocol on 31st May 2002;

2. the UK participates voluntarily in the CDM;

3. to the extent that what is mentioned in paragraphs 1 and may constitute authorisation of CFP Energy Limited’s participation in the above named CDM project activity, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.
In granting authorisation, the UK’s DNA has not considered those matters that fall within the competence of:

- India acting as Host Party in respect of this project;
- DNV Climate Change Services AS (DNV), appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

The UK does not intend to issue instructions in respect of, or to participate in the request for issuance of Certified Emission Reductions (CERs).
