

Call for Public Inputs on the draft procedure to demonstrate the eligibility of lands for A/R project activities under the CDM

The following areas shall be excluded from any lands to be taken up for Afforestation & Reforestation under CDM projects.

- 1- All eco-systems supporting High Value Conservation bio-diversity.
- 2- All lands for which settlements of rights of local/ Indigenous people has not taken place as per accepted international norms.
- 3- Ecologically fragile eco-systems like steep slopes, stream banks etc.

With regards & thanks for accomodating me late. Incidentally, I am retired Principal Chief Conservator of Forests from India & currently member of Global Plantation Working Group of FSC- International- BONN.

Dr. VERMA
