

AGENDA
Fourth CDM Roundtable
8 June 2012 Venue: Langer Eugen, Room 1916 Bonn, Germany

8:30 - 9:00	Registration
OPENING	
9:00 - 9:10	<p style="text-align: center;">Welcome and Introduction</p> <p><i>Mr. James Grabert, Coordinator, Sustainable Development Mechanisms, UNFCCC secretariat</i></p>
9:10 - 9:30	<p style="text-align: center;">Meeting overview / Roundtables outlook for 2012</p> <p>The secretariat will present the current status of the CDM Roundtables workplan for 2012, as aligned with the Board's 2012 MAP as well as feedback received in response to the recent call for public inputs. This briefing will also provide an opportunity for comments on the Roundtables workplan and operation of the Roundtable process.</p> <p><i>Ms. Fatima-Zahra Taibi, Organization and Stakeholder Development, UNFCCC secretariat</i></p> <p>Q&A</p>
MORNING PLENARY	
9:30 - 11:00	<p style="text-align: center;">Session I: Materiality</p> <p>Taking into account comments received by DOEs on the concept note on materiality considered at EB 67, a draft version of the materiality guidelines will be presented for further consultation with stakeholders. A DOE perspective on how materiality is applied in practice to CDM validation and verification activities will also be presented.</p> <p><i>Ms. Marsha Cheddi, Accreditation Standards Team, UNFCCC secretariat</i> <i>Ms. Melanie Eddis, ERM-CVS</i></p> <p>Q&A</p>
10:15 - 11:00	<p style="text-align: center;">Session II: Sustainable development benefits of CDM projects</p> <p>At EB 67, the Board requested the secretariat to develop a proposed voluntary tool for project participants to highlight sustainable development co-benefits of CDM projects and PoAs. This session will present the current status of the secretariat's work in this area as well as views on co-benefits from an environmental NGO/civil society perspective.</p> <p><i>Ms. Fleur Newman, Regulations and Knowledge Management, UNFCCC secretariat</i> <i>Ms. Eva Filzmoser, CDM Watch</i></p> <p>Q&A</p>
11:00 - 11:30	Coffee Break / Participants move to break-out rooms
MORNING BREAK-OUT SESSIONS	
11:30 - 12:45	<p style="text-align: center;">Session I: Materiality</p> <p>This session will provide an opportunity to gather further stakeholder inputs and views on the draft version and development of the guidelines to be considered at EB 68.</p> <p><i>Moderator: Mr. Michael Lehmann, DNV</i></p>
	<p style="text-align: center;">Session II: Sustainable development benefits of CDM projects</p> <p>Participants will be able to consult and provide views on the latest work on the draft tool and issues related to its further development and implementation.</p> <p><i>Moderator: Ms. Felicity Spors, World Bank</i></p>
12:45 - 14:00	Lunch Break
AFTERNOON PLENARY	
14:00 - 15:00	<p style="text-align: center;">Session III: Improving the sampling standard and guidelines</p> <p>At EB 67, best practice examples focusing on sample size and reliability calculations were adopted, complementing the sampling standard for CDM projects and PoAs. This session will present the current work on simplifying the requirements for the standard and further improving the guidelines, as well as a project participant perspective on their implementation in practice.</p> <p><i>Mr. Gajanana Hegde, Methodologies Team, UNFCCC secretariat</i> <i>Mr. Martin Schroeder, KfW and Mr. Sven Feige, Perspectives</i></p> <p>Q&A</p>

**4th CDM Roundtable****Agenda**

14:30 - 14:55

Session IV: Positive list for additionality / microscale additionality guidelines

This session will cover the latest work on the positive list of technologies that are automatically defined as additional, as applicable to Attachment A to appendix B of the simplified modalities and procedures for small-scale CDM project activities. Project participant views on the positive list as well as issues relating to improvements of the microscale guidelines for additionality will also be presented.

Mr. Gajanana Hegde, Methodologies Team, UNFCCC secretariat

Mr. Sven Kolmetz, Project Developer Forum

Q&A

14:55 - 15:00

Participants move to break-out rooms

15:00-16:30

AFTERNOON BREAK-OUT SESSIONS

Room 2116

Session III: Improving the sampling standard and guidelines

This session will provide an opportunity for stakeholders to provide further feedback on the latest version of the sampling standard and discuss options to simplify its requirements, as well as share views on best practice examples adopted and implemented.

Moderator: Mr. Werner Betzenbichler, Chair DOE/AIE Forum

Room 130

Session IV: Positive list for additionality / microscale additionality guidelines

This session will provide an opportunity for stakeholders to share views on the inclusion of off-grid technologies and distributed emission reduction projects of very small size, as well as gathering input on related issues applicable to the microscale guidelines on additionality.

Moderator: Mr. Steven Schiller, Small-Scale Working Group

16:30 - 17:00

Coffee Break

17:00 - 18:00

CLOSING PLENARY

17:00 - 17:50

Wrap-up session: main issues discussed and actions/recommendations going forward from break-out sessions

Moderators of each break-out session

Q & A

17:50 - 18:00

Conclusions and closing address

UNFCCC secretariat
