Re.: Request for Clarification regarding utilization of the Annexure -1 of the Clean Development Mechanism Project Standard

Dear Mr. Samrat Sengupta,

Thank you for your letter received on 2 February 2012, which has been made available to the Chair of the Board.

On behalf of the Chair of the Board, I would like to inform you that, as per the *Implementation Plan for the Clean Development Mechanism Project Standard, Validation and Verification Standard and Project Cycle*¹ (Annex 6, EB65 Report), these documents will be effective after the sixty-sixth meeting of the Board (2 March 2012), following the adoption of the documents to be revised or developed, *inter alia*, the *Guidelines for completing the monitoring report form*.

After 2 March 2012, the project participants of any CDM registered project activity will be able to prepare the monitoring report as per the Clean development mechanism project standard (including the application of the provision mentioned in your letter, paragraph 5 (a) of Appendix 1 of this document) and the revised guidelines above. Subsequently, the verifying DOE will be able to proceed with the verification of the project under the Validation and verification standard and submit a request for issuance from 1 May 2012 under the Project cycle procedure.

I hope this letter addresses your concern.

Yours sincerely,

Andrew Howard
Secretary to the CDM Executive Board
