&gt;&gt;

*In the 'Standard for demonstration of additionality, development of eligibility criteria and application of multiple methodologies for programme of activities', it clarify the use of multiple methodologies and technologies. And I know that it can include several CPAs under the PoA.*

*But I have a question about inclusion of several projects in one CPA as bundling project type.*

*Detailed question about is as below*

**Query**

*Is it possible to **include several projects by bundling them as a single CPA***

***OR there should be only one project in a CPA?***

Please use the space below to any mention any suggestions or information that you want to provide to the Board. In doing this please describe the exact reference source including the version (if any).
