Re.: Clarification on PoA CDM projects submission deadline

Dear Mr. Amin,

Thank you for your letter received on 28 May 2012, which has been made available to the Chair of the Board.

On behalf of the Chair of the Board, I would like to inform you that, as per Annex 12 (para 25) of the report of the fifty-ninth meeting of the Board, if the request for registration of the project activity is submitted on or before 31 December 2012 and is deemed to be complete by the secretariat, the date of registration of the project activity shall be the date of submission of the request for registration by the validating designated operational entity.

If a review is requested but the project is finally registered, the date of registration shall remain the date of submission of the complete request for registration.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'Andrew Howard'.

Secretary to the CDM Executive Board
