Re.: Usage of Latest Approved Methodology Versions for Transport Projects Registered with a Previous Methodology Version

Dear Dr. Grütter,

Thank you for your letter received on 29 May 2012, which has been made available to the Chair of the Board.

On behalf of the Chair of the Board, thank you for your request for the consideration of a new rule for CDM project activities in the transport sector. Your proposal explaining the situation regarding your CDM project activity is noted and was carefully considered. Unfortunately the Board is not in a position to accede to your request for an exception to the CDM rules.

I would like to take the opportunity to refer you to paragraphs 130-155 of the *Clean Development Mechanism Project Cycle Procedure* (version 02), regarding the steps for changes to registered CDM project activity or programme of activities.

Thank you once again for contacting the Board with your concerns and requests.

Yours sincerely,
