**Re.: Clarification request: Definition of the term “country specific” of the Guidelines on additionality of first of its kind projects**

Dear Ms. Jacintho Berti,

Thank you for your letter received on 30 July 2012, which has been made available to the CDM Executive Board.

On behalf of the Chair of the Board, I would like to inform you that a revised version of the *Guidelines on additionality of first-of-its-kind project activities* was approved by the Executive Board at its sixty-ninth meeting. The definition of “applicable geographical area” was revised and the reference “country specific” was deleted as well as the reference to the “extension” of the geographical area. The revised version (version 2.0) of the guidelines can be found in the Annex 7 of the report of the sixty-ninth meeting of the Executive Board.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

Andrew Howard  
Secretary to the CDM Executive Board
