Re: Request for reconsideration of guidance proposed in EB 69 paragraph 93 (b)

Dear Mr. Acharya,

Thank you for your letter received on 27 September 2012, which has been made available to the CDM Executive Board.

Your concern about the guidance provided in the paragraph 93 (b) of the report of the sixty-ninth meeting of the CDM Executive Board was addressed in the package of documents entitled “Revision of regulatory documents due to introduction or changes to provisions related to PoA” and was considered by the CDM EB at its seventieth meeting. You will find the outcome of this meeting on this issue in paragraph 144 (b) of revised version of the CDM Project Standard (Version 02):

“For PoAs applying more than one technology/measure or more than one methodology, the coordinating/managing entity shall complete one specific case CPA-DD for each generic CPA-DD. In case where all specific case CPA-DDs to cover all generic CPA-DDs cannot be provided at the time of the publication of the PoA-DD for global stakeholder consultation, at least one specific case CPA-DD corresponding to any of the generic CPA-DDs shall be provided at the time of the publication of the PoA-DD for global stakeholder consultation. In this case, for each of the remaining generic CPA-DDs, one specific case CPA-DD shall be provided at the time of request for registration of the PoA or after the registration of the PoA. In the latter case, the specific case CPA-DD shall be provided for approval by the Board in accordance with the post-registration change process as defined in section VI.B of the Project cycle procedure.”

I hope this letter suitably addresses all your concerns.

Yours sincerely,
