Re.: Clarification regarding applicability of “Guidelines For Demonstrating Additionality of Microscale Project Activities”, Version 04

Dear Ms. Chakraborty,

Thank you for your letter received on 4 October 2012, which has been made available to the CDM Executive Board.

On behalf of the Chair of the Board, I would like to inform you that as your request is similar to a request for clarification also sent by yourself to the small scale working group (SSCWG), it will be addressed through the clarification process of the SSCWG. Therefore I invite you to follow the progress of your request (SSC_661) on the *Pending requests for clarification and revision of approved SSC methodologies* page of the UNFCCC website.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'AH' with a large flourish.

Andrew Howard
Secretary to the CDM Executive Board
