Re.: Condonation of Time Deadline for Registration of a CDM Project

Dear Mr. Macdonald,

Thank you for your letter received on 29 October 2012, which has been made available to the CDM Executive Board.

On behalf of the Chair of the Board, I would like to thank you for explaining the current situation of your CDM project activity. Nevertheless the Board is not in a position to accede to your request for condonation of time deadline for registration of your CDM project activity.

On a general note, Parties have decided that there will be a second commitment period under the Kyoto Protocol, starting on 1 January 2013 and ending on 31 December 2020. As a mechanism under the Kyoto Protocol, the CDM will continue through that second commitment period.

Thank you once again for contacting the Board with your concerns and requests.

Yours sincerely,
