Re.: Equal handling of start notification for CPAs and projects activities

Dear Ms. Child,

Thank you for your letter received on 19 December 2012, which has been made available to the Board.

On behalf of the Chair of the Board, I would like to thank you for submitting your suggestions to revise the definition of start date for component project activities (CPAs) of a programme of activity (PoA). Your comments will be taken into consideration during the further work on improvements to the CDM rules related to PoAs.

Thank you once again for contacting the Board with your ideas.

Yours sincerely,
