**Re.: Registration Date for Project 7178 Combined Cycle at Loma de la Lata Thermo Unit**

Dear Mr. Mindlin,

On behalf of the Chair of the Board, I would like to thank you for your letter of 02 July 2013, communicating your request for clarification on the registration date of CDM project activity 7178: "Combined Cycle at Loma de la Lata Thermo Unit".

Please be informed that provisions pertaining to the effective registration date following revisions of the the validation report and/or supporting documentation are contained in paragraph 98 of the *clean development mechanism project cycle procedure* (PCP), version 03.2. According to this paragraph, the CDM Executive Board shall register each CDM project activity or programme of activities on the first working day subsequent to the finalization of the decision. The effective date of registration in such cases shall be the day on which the latest revisions to the validation report and/or supporting documentation were submitted.

The secretariat received the revised validation report and the project design document (PDD) of CDM project activity 7178 on 11 March 2013 following its request for revision.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'Andrew Howard', written over a faint circular stamp.

Andrew Howard  
Secretary to the CDM Executive Board
