Re.: Specific CPA (real case CPA-DD) implementation delay

Dear Mr. Esparta,

On behalf of the Chair of the CDM Executive Board, I would like to thank you for your letter of 13 December 2013, asking whether “implementation of the first specific case CPA-DD is required to include further CPAs of the same type”. Your letter has been made available to the Board.

As per paragraph 112 of the Project Cycle Procedure (PCP) version 5.0, only upon the approval of the first specific case CPA-DD corresponding to a generic CPA-DD by the Board, CPAs corresponding to that generic CPA-DD may be included in the registered CDM PoA.

I would therefore like to confirm your understanding of the current rules. To include further CPAs of the same kind, the first specific case CPA-DD solely needs to be approved. The implementation of this first specific case CPA-DD is not a prerequisite for inclusion of further CPAs.

Thank you once again for contacting the Board with your concerns and requests.

Yours sincerely,

Andrew Howard

Secretary to the CDM Executive Board
