At its eighty-first meeting, ending prior to COP20 on 29 November 2014 in Lima, the CDM Board requested the secretariat to launch a call for public input on the draft Procedure "Modalities and procedures for direct communication with stakeholders" to gather recommendations from stakeholders and set the period for receiving comments to start on 4 December 2014 and to end on 04 January 2015.

Decision -/CMP.10 taken on 11 December 2014 on Guidance relating to the clean development mechanism further requests the CDM Board to publish its procedures for dealing with communications from stakeholders.

Please provide any specific suggestions or further information which would address the issue raised in the previous section, including the exact reference source and version (if applicable).

To provide meaningful input by stakeholders intended to use the procedures, the deadline shall be extended by two weeks until 18 January 2015.

Setting the deadline from 4 December 2014 to 4 January 2015 does not allow for meaningful input by stakeholders. The suggested period of 4 weeks included 1 week during the COP20 (which lasted until 11 December), several days of travels especially for the stakeholders that participated at COP20 and 2 weeks of festive holiday season, with a very common practice around the global to take holidays from 22 December 2014 until 4 January 2015.
