Re.: Request for revision to guidelines for post-registration design changes for a SSC PoAg

Dear Mr. Silon,

On behalf of the Chair of the CDM Executive Board, I would like to thank you for your letter of 23 January 2015, informing about your concerns with regard to limiting the possibilities for post-registration update of methodologies for PoAs. Your letter has been made available to the CDM Executive Board (the Board).

I noted the concerns raised in your letter. I will bring the attention of the Board to the issue for its consideration at its eighty-third meeting, taking place in Bonn, Germany, from 13 - 17 April 2015, in accordance with the relevant provision of the procedure for direct communication with stakeholders.

I hope that this response has addressed your questions.

Yours sincerely,

Rajesh Sethi

Secretary to the CDM Executive Board
