Quarterly report

Stakeholder interaction – activities with DOEs/AEs

First Quarter, 2015

Version 01.0

United Nations
Framework Convention on
Climate Change

1. A number of stakeholder interaction activities were carried out for the designated operational entities (DOEs)/applicant entities (AEs) for the first quarter (Q1) in 2015, through DOE conference calls.
2. **DOE conference calls**
 - (a) During Q1 2015, the web-based 27th DOE conference call was conducted on 9 March 2015;
 - (b) The conference call was organized following the mandate from the Executive Board of the clean development mechanism (the Board) at its eighty-first meeting (under the CDM management plan 2015) and as part of core support activity;
 - (c) The objective was to enhance clarity and transparency in order to enhance overall efficiency of the CDM and:
 - (i) To provide a platform for communication with DOEs on the outcomes of the previous Board meetings; to provide clarifications on various CDM requirements/decisions and on day-to-day operational issues; to share the organizational workplan of the Board; and to provide updates on other administrative issues;
 - (ii) To raise awareness, promoting deeper understanding and providing opportunities for sharing experiences with respect to the implementation of the various requirements of the CDM, including the decisions of the Board;
 - (iii) To provide updates on the CDM regulatory framework on areas relevant to DOE/AEs;
 - (d) Twenty-one representatives from the DOEs/AEs participated in the conference call;
 - (e) Conference call reports are available on the Operational Entities extranet at: <<https://cdm.unfccc.int/extranet/OE/teleconference/index.html>>.
