

## Draft standardized baseline (DSB) development agreement form (Version 01.0)

*To be completed by the CDM Executive Board or secretariat and by a designated national authority (DNA) before the CDM Executive Board decides to develop a draft standardized baseline in accordance with the "Procedure: Development, revision, clarification and update of standardized baselines" (CDM-EB63-A28-PROC). If the draft standardized baseline is developed for a group of Parties, this form is to be completed by the DNA of each Party.*

### INFORMATION TO BE COMPLETED BY THE BOARD OR SECRETARIAT

<b>Title of the draft standardized baseline:</b>	Baseline woody biomass consumption for cookstoves
<b>Name(s) of the Party or Parties to which the draft standardized baseline applies:</b>	Malawi
<b>Elements to be standardized by the draft standardized baseline:</b> (Select one or more than one element(s) to be standardized)	<input type="checkbox"/> Additionality demonstration <input type="checkbox"/> Baseline identification <input checked="" type="checkbox"/> Baseline emission/ removal estimation <input type="checkbox"/> Land eligibility demonstration

### Proposed approach for the development of the draft standardized baseline:

- ☐ The "Guidelines for the establishment of sector specific standardized baselines"
- ☒ A methodological approach contained in an approved baseline and monitoring methodology (Please specify below the exact reference (number, title and version) of the approved methodology - (AMS-I.E Switch from non-renewable biomass for thermal applications by the user --- Version 5.0; AMS-II.G Energy efficiency measures in thermal applications of non-renewable biomass --- Version 6.0)
- ☐ A methodological approach contained in an approved methodological tool (Please specify below the exact reference (title and version) of the approved tool\_\_\_\_\_)
- ☐ The "Guideline: Establishment of standardized baselines for afforestation and reforestation project activities under the CDM"

### Proposed data source, applicability and impacts of the draft standardized baseline:

Reliable data sources will be used such as National statistics and studies, Reports and Sampling surveys used in registered project and PoA documentation, and other credible sources such as the reports and publications of UN agencies such as United Nations Environment Programme (UNEP), and the Food and Agriculture Organization (FAO), United Nations Development Programme, UN Millennium Project and other sources such as the information compiled by Global alliance for clean cookstoves.

The standardized baseline will provide default values for baseline woody biomass consumption in Malawi which can be used by project activities applying methodologies "AMS-I.E: Switch from Non-Renewable Biomass for Thermal Applications by the User" (version 5.0)<sup>1</sup> and "AMS-II.G: Energy efficiency measures in thermal applications of non-renewable biomass" (version 6.0) in the country. This will stimulate the development of cookstove project activities by eliminating the need for individual efforts to determine baseline woody biomass consumption by project activities/PoAs and will enhance the mitigation outcomes.

**Any other issues to be stated, if necessary:**

The standardized baseline will be developed following the modalities of top-down approach as per the mandates of the CDM Executive Board to the UNFCCC Secretariat and in collaboration with the DNA of Malawi.

The DNA of Malawi will extend its support and cooperation to the UNFCCC Secretariat in organization, compilation and quality assessment of the data required to develop standardized baseline.

**INFORMATION TO BE COMPLETED BY THE DNA**

<b>Consenting DNA:</b>	MALAWI
<b>Name of authorized officer signing for the DNA:</b>	ALOYSIUS KAMPEREWERA PhD
<b>Date (DD/MM/YYYY) and signature for the DNA:</b>	25/09/2014
<b>Contact Information of the focal point(s) of the DNA:</b> <i>(Names, email-addresses and phone contacts for procedural and technical communication on the draft standardized baseline)</i>	ALOYSIUS KAMPEREWERA <a href="mailto:kamphatso1@gmail.com">kamphatso1@gmail.com</a> +265 888 869446 SHAMISO NAJIRA , <a href="mailto:shamiso_b@yahoo.com">shamiso_b@yahoo.com</a> +265 999 895 000
