Re.: Removal of bundle partners

Dear Mr. Dabkara,

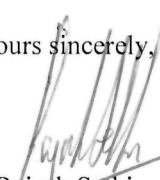

On behalf of the Chair of the CDM Executive Board, I would like to thank you for your communication of 14 September 2015 to the secretariat, regarding removal of bundle partners. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the "Procedure: Direct communication with stakeholders"¹.

In accordance with the "Standard: General principles for bundling" (version 03.0)², paragraph 10, the Board will consider at its eighty-sixth meeting, taking place in Bonn, Germany, from 12–16 October 2015, whether to allow de-bundling for your case so that you may proceed with a request for issuance for the remaining component.

For your information, a proposal for allowing de-bundling and flexible verification schedules for bundled project activities is included in the "Concept note: Proposals for simplification and streamlining of the CDM" (CDM-EB86-AA-A01)³ to be considered at the same Board meeting. You may wish to follow the proceedings of the meeting for updates on this issue.⁴

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi

Secretary to the CDM Executive Board
