Re.: Public consultation on the Clean Development Mechanism in action on Climate Change on respecting human rights before the COP 21

Dear Mr. Ndayimirije,

I would like to thank you for your communication of 16 October 2015, regarding initiation of a public consultation process for the Burundian citizens on the clean development mechanism respecting human rights, prior to the COP21. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders¹.

I regret to inform you that the Board is not in a position to support such stand-alone events. However, please note that the secretariat, in collaboration with other multilateral organizations, carries out regional CDM capacity building events and workshops as mandated by the Board.

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi

Secretary to the CDM Executive Board
