Re.: Shift in crediting period start date from 1 Jan 2010 to 30 Sep 2015

Dear Mr. Rao,

I would like to thank you for your communication of 25 March 2016, regarding shift in crediting period start date from 1 Jan 2010 to 30 Sep 2015 for project activity 1326. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders¹.

As per the current regulation, the change of the start date of the crediting period by more than two years is not permitted for a project activity hosted in a country other than the least developed countries (LDCs), or more than four years in LDCs. Therefore, the Board cannot consider your request to allow shift in start date of crediting period. However, revision of the rules is on-going² and you are requested to follow the proceedings of the Board for further regulatory development.

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
