Dear Mr. Ogar,

I would like to thank you for your communication of 27 April 2016, regarding a request to fund a solar electrification project in Nigeria. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders¹.

I regret to inform you that the Board is not in a position to support you by funding the project, as this is not within its scope and mandates.

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
