Re.: Information regarding carbon credit fund for Tier-III emission

Dear Mr. Yousaf,

I would like to thank you for your communication of 14 May 2016, regarding a request to help obtaining carbon credit for Pakistan Locomotive Factory. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders.¹

Based on limited information provided, it is not feasible to say whether your project would be eligible to avail carbon credits under the clean development mechanism (CDM). It would be advisable that your office may study the approved CDM project standards, project cycle procedure available on the UNFCCC website² and proceed accordingly. You may also like to contact the Designated National Authority (DNA) of Pakistan³ in this regard.

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
