Re.: Host Country Approval

Dear Mr. Sadevra,

I would like to thank you for your communication of 6 June 2016, regarding a request for submission of a Project for registration without the letter of approval from the designated national authority (DNA). Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders¹.

I would like to inform you that the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP), at its eleventh session, could not agree to the recommendation by the Board as also contained in its annual report to the CMP.² Hence, all requests for registration shall be submitted as before, and in accordance with the CDM Modalities and Procedures and CDM regulatory documents – with a letter of approval in this case.

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
