VOLUNTARY CANCELLATION CERTIFICATE

Presented to

Orient Cement on behalf of Delhi International Airport

Reason for cancellation

Delhi International Airport Limited (DIAL) is responsible for operation, management and development of Indira Gandhi International (IGI) Airport, New Delhi, India. DIAL is highly committed for climate change mitigation and to ensure sustainable development of IGI Airport, New Delhi, India. Since 2010, Delhi's IGI Airport is participating in Airport Council International's (ACI) Airport Carbon Accreditation Programme for GHG Management. DIAL has maintained Optimization (Level 3) under this Programme, since 2012.

To further upgrade and achieve the highest accreditation level under this Programme, DIAL has decided to offset its Scope 1, Scope 2 and Scope 3 (Staff business travel) emissions for the year 2015, by purchasing 112000 CERs. By offsetting the Scope 1, Scope 2 and Scope 3 (Staff business travel) emissions, DIAL will achieve the requirements of Neutrality (Level 3+) of ACI Airport carbon Accreditation Programme.
