**Re: Sasol Nitrous Oxide Abatement Project**

Dear Mr. Leroy,

I would like to thank you for your communication of 22 November 2016, regarding your request to allow partial payment of share of proceeds (SOP) for CDM project 0961 “Sasol Nitrous Oxide Abatement Project” covering a monitoring period from 1 August 2011 to 24 May 2014. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders.<sup>1</sup>

According to the current procedure, partial or split payment of SOP for issuance of certified emission reductions is not allowed. However, the Board would be considering a revised concept note on SOP to cover administration expenses at its ninety-third meeting, scheduled to take place in Bonn, Germany, from 20 to 24 February 2017, which is likely to cover the issue of partial or split payment also. You may wish to follow the proceedings of the meeting for updates on this issue.<sup>2</sup>

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi  
Secretary to the CDM Executive Board
