SECTION 2: BASIS FOR REVIEW REQUEST

Please indicate the issues associated with the compliance of the CPAs with the requirements for inclusion of CPAs in the PoA, for renewal of crediting period or for post-registration changes, for which you have a reasonable concern about whether they would disqualify the CPAs from their inclusion in the PoA, renewal of their crediting periods or post-registration changes. Please tick the appropriate boxes in the list below and specify the corresponding criterion number in the CPA-DD or the relevant CDM rules and requirements.

Issues associated with the following eligibility criteria for inclusion of CPAs in the PoA, as required by the "CDM project standard for programme of activities" and specified in the corresponding generic CPA-DD of the PoA-DD:

- Geographical boundary of the CPAs consistent with the geographical boundary of the PoA
Please specify criterion number in the CPA-DD: ____
- Conditions to avoid double counting of emission reductions or net anthropogenic GHG removals, such as unique identifications of product and end-user locations (e.g. programme logo)
Please specify criterion number in the CPA-DD: ____
- Conditions to confirm that CPAs are neither registered as CDM project activities, included in another registered PoAs, nor the project activities that have been deregistered
Please specify criterion number in the CPA-DD: ____
- Specification of technology/measure such as the level and type of service, as well as performance specification based on, inter alia, testing/certifications
Please specify criterion number in the CPA-DD: ____
- Conditions to check the start date of the CPAs through documentary evidence
Please specify criterion number in the CPA-DD: ____
- Conditions to ensure compliance with applicability of the applied methodologies

Please specify criterion number in the CPA-DD: ____

- The conditions that ensure that CPAs meet the requirements for demonstration of additionality
Please specify criterion number in the CPA-DD: ____
- Conditions to ensure the compliance with other requirements of the applied methodologies
Please specify criterion number in the CPA-DD: ____
- The PoA-specific requirements including any conditions related to undertaking local stakeholder consultation and environmental impact analysis
Please specify criterion number in the CPA-DD: ____
- Conditions to provide an affirmation that funding from Annex I parties, if any, does not result in a diversion of official development assistance
Please specify criterion number in the CPA-DD: ____
- Target group (e.g. domestic/commercial/industrial, rural/urban, grid-connected/off-grid), and where applicable, distribution mechanisms (e.g. direct installation)
Please specify criterion number in the CPA-DD: ____
- Where applicable, the conditions related to sampling requirements for the PoA in accordance with the “Standard for sampling and surveys for CDM project activities and programme of activities”
Please specify criterion number in the CPA-DD: ____
- Where applicable, the conditions to ensure that CPAs that will be included meet the small-scale or microscale threshold and remain within those thresholds throughout the crediting period of the CPA
Please specify criterion number in the CPA-DD: ____
- Where applicable, the conditions for the debundling check based on the “Methodological tool: Assessment of debundling for small-scale project activities”
Please specify criterion number in the CPA-DD: ____
- Other eligibility criterion defined in the generic CPA-DD. Please specify:
