Re.: Seeking guidance from the Board to change eligibility in PoA-DD, and asking clarification about actual data

Dear Mr. Kim,

I would like to inform you that your communication of 1 October 2017 has been considered by the CDM Executive Board (the Board) at its ninety-seventh meeting.

With regard to your request for guidance on appropriateness of proposed revisions to the eligibility criteria for inclusion of CPAs in PoA 10014: The program to improve energy independence of public sewerage system through biogas increased efficiency in Korea, the Board agreed to request you to submit a post-registration change request under the prior-approval track, without prejudging the outcome of such request.

Yours sincerely,

Rajesh Sethi

Secretary to the CDM Executive Board
