Re.: Inquire explanation of Type L+ and Type L-

Dear Mr. Parsson,

I would like to thank you for your communication of 29 October 2019, regarding national and/or sectoral regulations. Your communication has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders.¹

I note that in your letter you are referring to an outdated clarification issued by the Board at EB 16 (Annex 3). The Board later at EB 22 (Annex 3), revised its guidance based on experience gained. In the latest rules, the Board only defined E+ and E- policies. You are requested to refer to the relevant sections in the CDM project standards for the latest rules.²

Thank you for contacting the Board with your request.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
