Re: Process for renewal of crediting period and penalty of “unclaimable period”

Dear Mr. Kolmetz,

Further to the communication from the CDM Executive Board (the Board) dated 13 September 2019, I would like to inform you that the Board considered again your communication requesting to clarify whether the “unclaimable period” is abolished for all cases, including those that have already incurred “unclaimable period” at the time of their renewal of crediting period under the old rules, at its 105th meeting held from 25 to 28 November 2019 in Madrid, Spain, and clarified that the already incurred “unclaimable period” is applicable to those cases.

Thank you once again for contacting the Board with your request.

Yours sincerely,
