**Re: Exemption regarding the necessity of site visit due to unsafe situation and terrorism**

Dear Mr. Calle,

I would like to inform you that the CDM Executive Board (the Board) considered your communication of 25 October 2019, requesting an exemption for the mandatory on-site visit for the first verification due to the security concerns in the region where the project activity is located, at its 105<sup>th</sup> meeting and agreed to grant this exemption on an exceptional basis provided that the designated operational entity performs verification/certification using credible alternative methods.

Thank you once again for contacting the Board with your concern and request.

Yours sincerely,

Rajesh Sethi  
Secretary to the CDM Executive Board
