SECTION 3: YOUR COMMUNICATION

Title/Subject Request for extension of the term for the renewal of the accreditation period from September 30, 2020 to September 30, 2021
Maximum 250 characters

Communication Text MEGABÚS S.A. Its previous accreditation period ended in August 2019. Prior to the Declaration of Sanitary Emergency by COVID-19, a bidding process was developed to find a Designated Operational Entity (DOE) to assist us with updating the project baseline, in the monitoring and commercialization stage of the carbon credits generated; supporting us in the National Law 1819 of 2016-Government of Colombia for the payment of the carbon tax, in addition to obtaining the recertification of the period 2020-2027. The bidding process could not be continued due to difficulties with the health emergency due to COVID-19 MEGABÚS S.A. is willing to undertake a new bidding process or other mechanism that allows the hiring of a (DOE) to update the project's PDD, develop the monitoring stage for the commercialization of carbon credits and recertification of the new stage 2020-2027. For de above, we respectfully request to postpone the expiration date for the renewal of a new accreditation period of the CDM-MEGABÚS Project, for one more year, so

¹ In accordance with the "Procedure: Direct communication with stakeholders" (version 02.0), stakeholders may address communications either (a) to the secretariat, in order to seek a fast-track technical or operational explanation regarding the implementation of existing CDM rules, or (b) to the CDM Executive Board, in order to communicate to the Board their views on CDM rules and their implementation, or to seek official clarifications of CDM rules.

	that we are allowed to correctly process the renewal process of the accreditation period; which would last until September 30, 2021, hoping that by that time the health and economic emergency facing our region has been overcome, and that other externalities do not occur; such as the one that afflicts us, that prevent us from continuing with the CDM-MEGABÚS project. We appreciate your collaboration in advance and we will be attentive to your response.
