Title/Subject <i>Maximum 250 characters</i>	Request to change in upfront issuance fee model for project activity and program activity.
---	--

Communication Text <i>Include background, details, and conclusion (unlimited length)</i>	The share of proceeds (SOP) issuance fee need to be paid by project proponent prior to the start of completeness check stage in request for issuance process according to latest project cycle procedure. Our clients are facing challenges to pay upfront fee due to COVID19 economy problem. It is getting difficult for them to get management approval for this additional investment as buyer is not showing interest to purchase their project credits until it gets issued. It will give much support to client if payment can be made
