Re.: Your letter to the Board dated 4 May 2020

Dear Mr. Viljoen,

This is to inform you that the CDM Executive Board (the Board) considered your communication of 4 May 2020 at its 107th meeting and agreed, on an exceptional basis, considering the COVID-19 pandemic, and given that the extension request was received by the Board before the expiry of the deadline, to extend the deadline for submission of the request for renewal of the crediting period for the following overdue case from 30 September 2020 to 31 December 2020:

Project 3677: Ekurhuleni Landfill Gas Recovery Project – South Africa.

Thank you for contacting the Board with your request.

Yours sincerely,
