CDM Executive Board
UNFCCC Secretariat
P.O. Box 260124

Dear Chair, Vice-Chair, and Members of the CDM Executive Board,

RE: Clarification on deadline for CPA post registrations changes following PoA-PRC.

Following the approval of PoA-PRC to PoA10124 in 2019 we have been working to achieve CPA-PRC in order to harmonize CPA-DDs with the program design changes made during PRC, as required. However, due to COVID-19 and other issues the CPA-PRC is unlikely to be completed before 31 December 2020. Reviewing EB107 and other EB meeting minutes I am unclear on whether the EB will accept and consider CPA-PRC submission after 31 December 2020 or not, recognizing that it is part of a PRC process started in 2018. I would greatly appreciate the EB confirming if CPA-PRC submission for PoA-10124 will be considered in 2021.

In the case that CPA-PRC is not permitted after the 31 December 2020 deadline, I respectfully request that the deadline be extended to allow completion of the PRC process. More generally, and like others have before me, I emphatically support the continuation of the CDM into 2021 and beyond given the uncertainty around the transition to Article 6.4 of the Paris Agreement.

Thank you for your consideration.

Dr. Samuel Bell
