**Endorsement of the Updated Grid Emission Factor Standardised Baseline (AS00034) for
West African Power Pool**

This is to confirm that the Designated National Authority of Nigeria, endorses the submission by Designated National Authority of Togo to the United Nations Framework Convention on Climate Change (UNFCCC) Secretariat of the update of a common Grid Emission Factor (GEF) for the grid interconnected countries within the West African Power Pool (WAPP).

2. Our endorsement specifically concerns the updated grid emission factor standardized baseline of WAPP which is supported by consultant of the World Bank.
3. Please accept the assurances of my warm regards.

Yours Sincerely,
