**Re.: Your letters to the Board dated 5 and 11 November 2020**

Dear Mr. Van Meenen,

I wish to inform you that the CDM Executive Board (the Board) considered your communications of 5 and 11 November 2020 at its 108<sup>th</sup> meeting.

The Board agreed, on an exceptional basis, considering the COVID-19 pandemic, and the fact that the extension request was received by the Board before the expiry of the deadline, to extend the deadline for the following CDM project activity until 31 December 2021:

Project 5354: Biogas y Energía–Methane recovery & power generation from oil mill plant effluents.

Thank you for contacting the Board with your request.

Yours sincerely,
