Re.: Your letter to the Board dated 6 October 2021

Dear Mr. Morán,

I would like to thank you for your communication of 6 October 2021 which has been made available to the CDM Executive Board (the Board) in accordance with the relevant provision of the procedure for direct communication with stakeholders.¹

On an exceptional basis, considering the COVID-19 pandemic, and the fact that the extension request was received by the Board before the expiry of the deadline, the deadline for the submission of the request for renewal of the crediting period for Project 9336: Peralta I Wind Power Project, is extended until 31 December 2021.

Thank you for contacting the Board with your request.

Yours sincerely,

James Grabert
Secretary to the CDM Executive Board
