

CDM-EB119-A04-AMEN

Standard

Amendments to version 03.0 of the CDM project standard for project activities on the transition of CDM activities to the Article 6.4 mechanism

Version 01.0

United Nations
Framework Convention on
Climate Change

1. Amendments to “CDM project standard for project activities” (version 03.0)

1. This document contains the amendments adopted by the Executive Board of the clean development mechanism at its 119th meeting, to the “CDM project standard for project activities” (PS-PA) (version 03.0) (CDM-EB93-A04-STAN). This document will be consolidated into the PS-PA in its next revision.
2. The amendments contained in the appendix enter into force on 1 January 2024.

Appendix 1. Amendments to “CDM project standard for project activities” (version 03.0)

1. Changes to section 11. Voluntary deregistration of project activity

1. The section title shall be changed and include new paragraphs as follows:

11. Voluntary deregistration of project activity

293. At any time after the registration of a CDM project activity, the project participants may request the secretariat to deregister the project activity in accordance with the “CDM project cycle procedure for project activities”.

293^{bis}. A CDM project activity that has transitioned to the mechanism established by Article 6, paragraph 4, of the Paris Agreement shall be deregistered from the CDM in accordance with the “CDM project cycle procedure for project activities”.

294. A CDM project activity that has been deregistered may not be reregistered as a CDM project activity nor included as a CPA in a registered CDM PoA.

295. Requests for issuance of CERs for the monitoring period ending prior to the effective date of deregistration for a CDM project activity or 1 January 2021, whichever is earlier, may be submitted in accordance with the “CDM project cycle procedure for project activities”.
