Version 01.0

**United Nations**  
Framework Convention on  
Climate Change

## **1. Amendments to “CDM project cycle procedure for programmes of activities” (version 03.0)**

1. This document contains the amendments adopted by the Executive Board of the clean development mechanism at its 119<sup>th</sup> meeting, to the “CDM project cycle procedure for programmes of activities” (PCP-PoA) (version 03.0) (CDM-EB93-A09-PROC). This document will be consolidated into the PCP-PoA in its next revision.
2. The amendments contained in the appendix enter into force on 1 January 2024.

## **Appendix. Amendments to “CDM project cycle procedure for programmes of activities” (version 03.0)**

### **1. Addition of new section on deregistration of programme of activities**

1. The following new section and paragraphs shall be added after section 10.

## **11. Deregistration of programme of activities**

### **11.1. Initiating deregistration**

326. The secretariat shall deregister a registered CDM PoA that has transitioned to the mechanism established by Article 6, paragraph 4, of the Paris Agreement (the Article 6.4 mechanism) and all CPAs included in the PoA.
327. The effective date of deregistration shall be the same as the date of registration of the transitioned PoA under the Article 6.4 mechanism.

### **11.2. Effects of deregistration**

328. A DOE may publish a monitoring report in accordance with section 7.2 above, or submit a request for issuance of CERs in accordance with section 8.1.1 above, for the deregistered CDM PoA for the monitoring period ending prior to 1 January 2021.
329. The secretariat, acting as the CDM registry administrator, shall forward CERs issued in respect of GHG emission reductions or net anthropogenic GHG removals achieved prior to 1 January 2021, in accordance with forwarding requests, the modalities of communication and the “CDM project standard for programmes of activities”, as well as with this procedure.
330. A DOE shall not make any monitoring report for the deregistered CDM PoA publicly available for a monitoring period that includes any date that is on or after 1 January 2021. The secretariat, acting as the CDM registry administrator, shall not issue CERs for the deregistered PoA for the period from the effective date of deregistration.
331. The registration fee, even if there is any positive balance left after deduction of the share of proceeds for issued CERs for the CDM PoA, shall not be reimbursed.

### **11.3. Administration period**

332. During the period from the effective date of deregistration of a CDM PoA until the date that is two calendar years later:
  - (a) The secretariat shall communicate with the coordinating/managing entity and Parties involved in order to assist them to settle outstanding matters in relation to the deregistered CDM PoA, including the completion of all issuance requests and forwarding requests in respect of GHG emission reductions or net anthropogenic GHG removals achieved prior to 1 January 2021, and such other steps as are necessary to ensure the

completion of outstanding matters in relation to the deregistered CDM PoA;

- (b) The coordinating/managing entity and each project participant may, after the effective date of deregistration, where necessary, be treated as if it were still a coordinating/managing entity or a project participant by the Board and the secretariat for the purposes of the “CDM project standard for programmes of activities” and this procedure in order to allow the secretariat to process instructions relating to GHG emission reductions or net anthropogenic GHG removals achieved prior to 1 January 2021, from such coordinating/managing entity or project participant in relation to the deregistered CDM PoA;
- (c) Any of the coordinating/managing entity and project participants of, and Parties involved in, the deregistered CDM PoA may communicate with the secretariat using the email address <cdm-registry@unfccc.int> for the purpose of clarifying the effects of the deregistration.
