Outcomes of CDM-AP 99

CDM EB 123

Baku, Azerbaijan, 6 to 8 November 2024

Summary of the outcome: CDM-AP 99

- CDM-AP held its 99th meeting on 17 and 18 September 2024 in Bonn, Germany
- CDM-AP 99 considered 20 cases, and all these cases were forwarded to the Board, resulting in 7 notifications on cases and 13 recommendations to be considered at this meeting.

Activity	No. of cases	For EB consideration	AA para.
Initial accreditation	1	Recommendations	10a
Re-accreditation	3	Recommendations	10b
Regular surveillance	3	Notification	10c
Spot-check	3	Recommendations	10d
Performance assessments	4	Notifications	10e
Other issues – Transfer of accreditation	6	Recommendations	10f

Summary of the outcome: CDM-AP 99

CDM-AP also **took note of the DOE performance monitoring reports** to the Board and the CDM-AP on the twenty-fifth monitoring period (first iteration).

Recommendations to the Board

The CDM-AP recommends that the Board:

- a) Take note of this presentation;
- b) Take note of the reports of the CDM-AP 99 meeting;
- c) Recall the presentation on any of the 13 recommendation cases submitted for the Board's consideration at this meeting. The presentation of these cases should be done by the end of the day, otherwise the CDM-AP recommended course of action will be adopted.

Thank you.
